

## MASTER OF BUSINESS ADMINISTRATION

The Master of Business Administration (MBA) degree is offered to provide an opportunity to develop advanced business skills in a small university setting, located near business and government offices in Washington, D.C. Through non-traditional scheduling, the program endeavors to meet the needs of individuals who have family, job and community responsibility who are seeking a more productive role in society through higher education.

**Join us in innovative thinking.  
Cutting-edge strategies.**

### THE WAU MBA GRADUATE WILL:

- Apply leadership skills to lead both small and large groups with cutting-edge strategies.
- Demonstrate critical thinking and analytical skills to solve problems in any dynamic business situation.
- Use ethical reasoning skills to recognize and analyze ethical issues of business decisions and situations.
- Apply, analyze and integrate business knowledge and information in an innovative way.
- Understand core business concepts of accounting, economics, management, finance, marketing, quantitative analysis, and business information systems.

## UNIVERSITY MISSION

Washington Adventist University is a learning community committed to the Seventh-day Adventist Christian vision of excellence and service. This cosmopolitan institution challenges students to seize the opportunities for learning in the nation's capital in order to become moral leaders in communities throughout the world.

## THE WAU DIFFERENCE

- Demonstrating academic excellence through pre-professional certificates as well as associate, baccalaureate and graduate degree programs in varied formats that include daytime, evening and online systems.
- Producing graduates who bring high moral leadership to their communities.

## ADVANTAGES

### PROFESSORS

Our experienced instructors are actively working in their field of study, including senior government executives, Fortune 500 leaders, and self-employed consultants. Our professors are our most valuable resource.

### PROGRAM SIZE

WAU deliberately keeps cohorts small, which allows for more individualized attention.

### FLEXIBLE CLASSES

On campus class is offered one night per week, Sunday through Thursday. Online courses are available for those who prefer this option, so you have the opportunity to advance your education without disrupting your career. You can also complete your degree in 18 months.

### COSTS

Our programs are some of the most affordable in the DC-Metro area, which means you get the degree that will take you further for less.
