

Sample Course Schedule*

Take Capital Summer Session course (3 credits) in the summer if at all possible.

FIRST YEAR	Fall BIOL 161 College Biology I CHEM 151 College Chemistry I MATH 120 College Algebra & Trig ENGL 101 Composition INTD 105 First Year Experience	4 4 4 3 <u>1</u> 16	Spring BIOL 162 College Biology II CHEM 152 College Chemistry II ENGL 102 Research & Literature COMM 105 Communications PEAC 160 Fitness for Life	4 4 3 3 1 15
SECOND YEAR	BIOL 305 Genetics CHEM 221 Organic Chemistry I HLSC 101 Intro to Health Care COOP210 Career Planning SOCI 105 Intro to Sociology	4 4 2 1 3 15	BIOL 150 Microbiology CHEM 222 Organic Chemistry II PEAC Elective Religion Elective (U.D.) PSYC 105 Intro to Psychology	4 4 1 3 3 15
SUMMER	COOP351/360 Work Experience	3		
THIRD YEAR	CHEM 461/463 Biochemistry (opt) BIOL 111 Anatomy & Physiology I HIST 125 History of World Civ I HLSC 110 Healthier Living Elective (U.D.)	4 4 3 2 3 16	BIOL 330 Animal Physiology BIOL 112 Anatomy & Physiology II HIST 126 History of World Civ II Religion Elective (U.D.)	4 4 3 3 14
SUMMER	COOP351/360 Work Experience	2		
FOURTH YEAR	NUTR 260 Nutrition GSCI 410 History/Phil of Science (online) PSYC 210 Developmental Psyc RELT 280 Moral Issues in World Religions	4 3 3 3	MATH 110 Probability/Statistics CPTR 105 Intro to Computers HMNT Elective (U.D.) Religion Elective (U.D.)	4 3 3 3
	Elective (U.D.)	<u>3</u> 16	Elective (U.D.)	<u>3</u> 16

^{*} Requirements vary based on the professional school. It is recommended that students seek further information from the school they plan to attend regarding specific requirements. Students are also encouraged to consult with their WAU pre-dental physician assistant advisor on a regular basis.

^{*} Patient contact hours are required and vary from 250 to 2500 hours.
