

## 2014 Crime Log

### DAILY CRIME LOG

WAU-Department of Safety and Security (DSS) maintains a daily crime log, which is written in an easily understood format and describes the nature of the crime, date the crime was reported, date and time the crime occurred, general location of the crime, and disposition of the complaint, if known. We enter new reports or update old ones within two business days after receiving the information. The log records virtually all crimes reported to DSS.
