below the Federal mandate of attendance for the required amount of calendar days during this 16-week academic period. I also understand that I may be at risk for financial aid overpayment and that Washington Adventist University is required to return the overpayment to the Title IV Program in the amount of federal funds I received in overpayment. Failure to confirm re-enrollment in a class within 45 days of withdrawing from the class(es) will result in the return of a portion of the Title IV Funds.

**Attention Students:**

You must complete a new FAFSA each year in order to receive aid (loans, \*PELL grant, MD State grant, Senatorial and Delegate grants or scholarships). The priority\*\* deadline for processing your FAFSA is **March 1**. Once you have completed the FAFSA, you will receive a confirmation e-mail from the Department of Education (within 2 -3 days) stating that your school has received your FAFSA information. Student Financial Services must download your FAFSA into our database. This may take up to two weeks depending upon when you completed the FAFSA. In addition, please go back to your FAFSA application and read your summary. The summary may reveal crucial information regarding your eligibility for aid (i.e., citizenship status, loan default status, verification documentation, etc.).

\*\*If you completed your FAFSA after March 1, you may not be eligible for \*MD State Grant, Senatorial or Delegate grants). In addition, the processing of your FAFSA may be delayed.
