Welcome to Weis Library!

Part 1: Location • Mission • Motto • Access

July 2018
Located in **Building 2**, Weis Library is the main library on the campus of Washington Adventist University.
The library is named after Theofield G. Weis (1901-1971), who served as its library director from 1931 to 1967.
The library’s **mission** is to support the learning community of WAU by providing information resources and services for students, faculty, and staff that sustain excellence in education and service.
The library’s motto — *Where Excellence Is Sustained* — is a reminder that it exists to support educational quality.
Through Weis Library, students, faculty, and staff can access over 700,000 print and digital information resources to meet their research needs.
There are four easy ways to **contact** the library and **access** its information resources...
1) You can visit the library to meet with library staff and use library resources.
2) You can telephone the library to obtain information or assistance.
3) You can email questions, requests, and comments to library staff.
