PROGRAM OVERVIEW

The Department of Medical Imaging is committed to providing quality associates level radiologic technology education. The radiologic technology program is endorsed by the Maryland Higher Education Commission (MHEC) and The Joint Review Commission of Education Radiologic Technology (JRCERT). The associate's degree curriculum has been designed to develop professional competence in the scholarly practice of radiologic technology. The program of study offers interrelated theoretical and clinical learning experiences. Multiple agencies are utilized for clinical experiences including: Washington Adventist Hospital, Shady Grove Adventist Hospital, and Shady Grove Adventist Emergency Department.

The Radiologic Technology program admits a maximum of 8 students per year. Graduates of this 2 year program receive an Associate of Applied Science degree in Radiologic Technology. Employment opportunities for graduates extend beyond hospitals to community health agencies, health maintenance organizations, private industry, educational institutions, and mission and foreign services.

WASHINGTON ADVENTIST UNIVERSITY

Department of Medical Imaging

Associate Degree Program

PROCEDURE FOR ADMISSION

Application

1. Apply to the University through the Admissions Office. Applications may be obtained by calling (301) 891-4502 or online at www.wau.edu. **Please note: Acceptance to the University does not guarantee acceptance into the Radiologic Technology Program.** The Admissions Office will inform the student of what must be submitted along with the application to the University (see page 6).
2. After acceptance to Washington Adventist University and payment of the application fee has been made, previous college credits (if applicable) will be evaluated by the Registrar's Office. (Note: Official transcripts must be submitted to the Registrar's Office in order for the official evaluation to be completed). This process may take up to eight weeks and must be completed **before** applying to the radiologic technology program. International transfer students wishing to transfer credits must submit official international transcripts, as well as an official WES transcript.
3. Once the student has been accepted to Washington Adventist University and the official transcript evaluation has been completed, the student will contact the Department of Medical Imaging for an appointment with the department Chair.
4. The student will meet with the Chair of the Department of Medical Imaging, who will answer questions about the radiologic technology program and will set up an individualized degree plan. The student **must** be accepted to Washington Adventist University and have the official transcript evaluation completed before an individual degree plan can be created.
5. The **semester before** the student plans on entering the radiologic technology program, a radiologic technology application must be submitted to the department by the appropriate deadline (*see page 4*).
6. Along with the radiologic technology application it is a requirement that the department is supplied with three completed recommendation forms (*see pages 10-18*). These forms should be completed by individuals who are able to assess your performance in an academic or work setting. **(Please do not have peers or family members complete these forms).**
7. An observation day must be scheduled by each prospective student before the application deadline. The observation day can be scheduled Monday through Thursday from 8:00 am to 12:00 pm. Please contact the program Chair to select a date.

HOW TO APPLY TO WAU

Step 1: Complete the Application

Fill out the [online application](#) or submit a paper application to the Admissions Office.

Step 2: Send Transcripts

Freshmen must send high school transcripts with at least 6 completed semesters. After graduation final transcripts will be required.

Transfer students with less than 24 credit hours will need both college transcripts and high school transcripts.

Transfer students with more than 24 credit hours should submit only college or university transcripts. We require that transcripts be sent from all colleges or universities a student has attended.

Step 3: Send Test Scores

Freshmen or Transfer students with less than 24 credit hours should submit test scores for admissions and financial aid purposes (see the Academic Bulletin for specific requirements).

Step 4: Send Recommendation Letter

Each student is required to submit one letter of character recommendation to the admissions office. Letters may not be filled out by a family member or friend. Letters should reflect the student's character and how that may affect their success being a student at WAU.

Step 5: Complete the FAFSA Form

www.fafsa.ed.gov

Add WAU's School code: 002067

Describe any other training, courses of study or skills related to radiology or patient care:
