STATEMENT OF COMMUNITY ETHOS

Washington Adventist University operates under the auspices of the Seventh-day Adventist Church. The institution’s distinctive passion is learning. By making learning a pleasure and a joy, and by linking scholarship with service, the faculty and students, and those who support them, intend to develop competence for moral leadership as well as competence for work. In this light, we attempt to live by the following ideals:

FAITH
We value faith in God, and celebrate the goodness of creation, the dignity of diverse peoples, and the possibility of human transformation. Through worship and shared life, we uphold spiritual integrity and help one another to achieve it.

MIND
We value the enhancement of the mind through enthusiasm, excellence, and honesty in learning. In both study and conversation, we honor the consideration of ideas and the increase of understanding.

RESPECT
We value safety, respect, and courtesy as every person’s need and right. To assist one another in learning, we attend to making our environment hospitable to study.

SERVICE
We value generosity in both attitude and practice, and consider higher education to be both a training and an opportunity for service.

BEAUTY
We value beauty and order—in the buildings, on the grounds, and in ourselves. We take responsibility for the look, the sound, and the feel of our campus.

HEALTH
We value the health of body, mind, and soul, and encourage one another to eat, rest, and exercise for maximum benefit to our entire being.

GROWTH
We value both honesty and determination with respect to these ideals. We acknowledge our need and capacity, under God, for continuous growth toward their realization.
STATEMENT OF CORE VALUES

At Washington Adventist University, learner success comes first. Teaching and learning comprise the core of our mission. In recognition of the dignity and worth of our individual members, we dedicate ourselves as a learning community to the continued pursuit of excellence. With these as fundamental principles, the following values guide our actions:

INTEGRATION OF THE LIFE AND TEACHINGS OF JESUS CHRIST
We will demonstrate the teachings of Jesus in all aspects of the learning community.

COMMITMENT TO QUALITY
We take personal responsibility for continual improvement and commitment to lifelong learning as we celebrate creativity, innovation, service, and the success of learners.

RESPECT
We insist on an environment of respect. Our actions reflect the respect we hold for our students, our colleagues, and ourselves. We hold each member of the community as an individual deserving of kindness, dignity, and fairness. All are gifted; all are valued.

TRUST
We honor the trust placed in us by our students, the community, and our colleagues. With trust, we act openly and ethically, motivated by cooperation and a collaborative team spirit.

CONSIDERATE OPEN COMMUNICATION
We take responsibility for sharing information, encouraging the exchange of ideas, listening without judgment, and speaking with honesty and candor.

ACCOUNTABILITY AND INTEGRITY
We hold ourselves and others accountable for our professional and personal actions, acting responsibly and conducting our business with integrity.

OUR SPIRIT OF COMMUNITY
Our learning community is built on a commitment to excellence, engagement in the learning process, mutual respect and courtesy for others. This commitment is an integral part of everything we do and is observed when we:

• respect the rights and property of all members of the campus community
• uphold personal and academic integrity
• practice honesty in communication
• listen to others’ viewpoints
• support diversity
• apply cost-effective measures
• work with others to uphold these standards
• model the life and teachings of Jesus
Together is progress.

Working together is SUCCESS.
WE ARE HERE TO SUPPORT YOU!

STUDENT LIFE
GENERAL INFORMATION
This Handbook is a publication of Washington Adventist University (WAU), and is a guide for students who have chosen to become a part of the WAU community. By accepting admission to WAU, you agree to abide by all of the Handbook policies and conditions while enrolled at the University. During an academic year, it is sometimes necessary to make amendments to various regulations. These situations are not predictable. Once announced to the WAU community, they are applicable as if they were published in this Handbook.

WASHINGTON ADVENTIST UNIVERSITY NONDISCRIMINATION POLICY
Washington Adventist University admits students of any race, gender, age, disability, color, and national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, gender, age, disability, color, or national and ethnic origin in the administration of its educational policies, admission policies, scholarship and loan programs, and other school-administered programs.

A BRIEF HISTORICAL SKETCH OF WAU
Washington Adventist University was established in 1904 as a coeducational institution known as the Washington Training Institute. Its purpose was to train young men and women in the liberal arts. In 1907, when the name was changed to Washington Foreign Mission Seminary, the more limited objective of special training for missionaries replaced the original concept of a liberal arts college. In 1914, the Seminary resumed the status of a liberal arts college and took the name Washington Missionary College. At the first commencement, held May 22, 1915, five students received the Bachelor of Arts degree.

Continued growth and development led to further changes. In 1933, the lower division was organized as Columbia Junior College and received accreditation. It ceased to exist as a separate college in 1942 when Washington Missionary College was given accreditation as a four-year, degree-granting institution by the Middle States Association of Colleges and Secondary Schools. In March 1961, the college constituency voted to change the name to Columbia Union College. In May 2009, in keeping with our educational growth, the constituency voted to change the name to Washington Adventist University (WAU), with the three-school model.

STUDENTS’ BILL OF RIGHTS
In our community, the Student Life Handbook provides an overview of social, physical, and spiritual life at WAU. You are encouraged to use the Handbook to become familiar with your rights and responsibilities as members of the WAU community:
WAU students (you) have the right to an environment that is conducive to learning. The right to an educational environment conducive to learning includes additional rights described throughout this Handbook.
WAU students (you) have the right to expect the University to be a place where spiritual growth can be nurtured. WAU is the center of a community of faith and learning. In this supportive environment, each student has the opportunity to develop and experience personal growth, and a life of devotion and service. We provide programs that contribute to spiritual growth. Attending religion classes is a part of the academic curriculum, and participating in selected worships is required (Convocation, residence hall worship, Week of Spiritual Emphasis, etc.).
WAU students (you) have the right to access personal academic records and files, and the right to the privacy of those records and files. According to the Family Educational Rights and Privacy Act of 1974 (FERPA), all confidential student records, files, and data maintained by a university must be available for inspection by the student. Students may challenge records, and may place limitations on access by others. Requests to review confidential files are made to the administrator responsible for keeping such records. For further information on your rights under FERPA, contact the Records Office.
WAU students (you) have the right to admission to all student organizations, education programs, and activities. All organizations, programs, and activities of the University are open to all WAU students without respect to race, ethnicity, age, gender, or physical ability. Please note the exception of attendance restriction when an individual is on probation as part of a disciplinary action.
WAU students (you) have the right to appropriate, affirming, and respectful behavior in their interactions with other members of the University community. High standards of dress and behavior are upheld on the WAU campus. Disrespectful actions, regardless of the severity, are not acceptable. These actions include those based on differences in race, culture, religion, gender, sexual orientation, age, or ability. You are expected to not engage in acts of intimidation and dishonesty, conduct that is immoral, disorderly, lewd, indecent, or obscene as expressed in language, action, or personal appearance.

WAU students (you) have the right to compete on a fair and equal basis for academic recognition. This right precludes such behaviors as cheating, plagiarism, and other acts of academic dishonesty. (see academic bulletin)

WAU students (you) have the right to an environment that promotes wellness and safety.

You have a right to an environment that is free of: physical, sexual, verbal, and emotional harassment/abuse; threatening and dangerous behaviors or any activity that is in violation of “Title IX”; A campus free of: breaking and entering; theft; obstructing or disrupting the study, work, social, or religious life of others; and possession of firearms, explosives, and other weapons. The right to wellness and safety demands a drug-, alcohol-, and tobacco-free environment. Violation of any of the above-stated rights is grounds for immediate disciplinary action.

University life demands a high level of alertness and mental fitness. You are encouraged to make time in your schedule for adequate rest and exercise. Campus Dining Services provides nutritionally balanced, wholesome vegetarian cuisine.

WAU students (you) have the right to create, join, and lead organizations and clubs that are consistent with the University’s philosophy and mission. WAU promotes student participation and leadership opportunities through a variety of clubs and organizations. Students may contact the Office of Student Life (ext. 4525) and Campus Ministries (ext. 4112) for information about how to become involved with or to begin a club or campus ministry.

WAU students (you) have the right to acceptable modes of public expression, respectful disagreement, and appeal. The responsibilities that accompany this right to expression include appropriate levels of personal and journalistic restraint based on the standards and values upheld by the WAU community (Columbia Journal, Montage, Golden Memories, and the Line-up). The University delegates editorial responsibilities to the editors, under the guidance of faculty and staff advisors, and the Board of Publications.

Officers of any officially organized WAU student organization, at the discretion of the chairperson, may appear before University committees to present petitions or points of view. Joint meetings between University committees and student committees may be held at agreed-upon times. Student Association officers may present proposals through the student senate and Vice President for Student Life to the President’s cabinet. It is the University policy to engage student officers and committees in consultation or study of pertinent University policies or issues. These types of meetings may be initiated by University officers or committees, or by the student officers or committees.

A student, or group of students, who wishes to express views to achieve changes, shall discuss the matter directly with the vice president in whose area of responsibility the matter falls. Petitions for action or redress of grievance should be presented directly to a vice president.

Public rallies, demonstrations, discussions, and interviews held on the campus require approval of the President’s office, at least two weeks prior to the occasion. The President shall have the authority to determine the time and location of such meetings, so as not to disrupt the regular school program, and to approve or appoint chairpersons for such meetings. Participants in these meetings, other than faculty, staff, and currently enrolled students, must be approved by the President or his/her designated representative, before the invitation to participate is given. Interchange of views between students and faculty person to person, in groups or meetings, and by written documents presented personally is encouraged. Conduct at these discussions must be in accordance with the Christian spirit espoused by WAU. It is the tradition of students and faculty on this campus to speak freely and to listen courteously to the opinions of others.
Freedom of expression does not include any right to interfere with regular activities of the University or to distract, hinder, or intimidate others in accomplishing the educational, scholarly, and spiritual purposes of the University.

**WAU students (you) have the right to fair and equitable treatment in academic matters.**
If you feel that your academic rights have been violated, you should speak personally with the professor. If the disagreement is not resolved, you may appeal to the department chairperson, the Academic Dean, the Provost, and finally the Academic Appeals Committee (please see academic bulletin for further clarification).

**WAU students (you) have the right to expect the University to follow appropriate discipline procedures as described in this Handbook.** Within the guidelines of WAU policies, a committee of faculty, staff, and students administers the discipline of students who violate rights and responsibilities. You have the right to meet with the committee when your case is discussed, to answer questions, and clarify your viewpoint. You have the right to choose a WAU faculty or staff member to serve as an advocate for you at Conduct and Guidance Committee hearings. Every effort is made to provide consistent, open, and fair discipline. You have the right to appeal disciplinary actions, if the University has not followed the process described in The Student Handbook and The Academic Bulletin.

**CONVOCATION/WEEK IN SPIRITUAL EMPHASIS**

At Washington Adventist University, Convocation follows Jesus model for growth and service, Luke 2:52 Jesus grew physically, spiritually, socially and in wisdom. He became all God intended him to be as the ultimate, obedient servant. Washington Adventist University Convocation will model growth in students, faculty, and staff lives and for serving other to help them grow into all God intends for them.

**Statement of Mission.** One of the premier ways in which Washington Adventist University enriches the spiritual and personal lives of its students, faculty, and staff is through a weekly service. It is a time devoted to the nurture of the University community and to the further definition of its goals and priorities. The Office of the Vice President for Ministry facilitates this process by ensuring that the services reflect careful programming and adherence to a clear vision of worship.

**Statement of Purpose.** Convocation is central to our expression as a welcoming community of faith within the context of academic excellence. The programs embrace WAU’s Seventh-day Adventist heritage, while at the same time addressing the spiritual and inspirational needs of all people, regardless of denominational background. The expression of our purpose will be found in our commitment to worship, the Word, and the world.

**WORSHIP:** Convocation exists to point people to Christ, and worship Him through music and other creative means.

**WORD:** Convocation exists to challenge us to search God’s Word and open our minds to His transforming grace.
WORLD: Convocation exists to enlarge our vision of service and equip us to act as agents of grace in the world.

Members of the University community are expected to attend Convocation as the University recognizes that attendance at this weekly time of devotion offers enormous benefits not only to the individual, but also to the entire community.

Convocation is held every Wednesday at 11:15 a.m. until noon at Sligo Church unless otherwise posted. (Student Assembly is every second Monday at 11:15 a.m. Location will be announced and posted.)

**Attendance.** All students — regardless of age, work, meetings, appointments — taking six or more credit hours must attend Convocation/Week of Spiritual Emphasis/Student Assembly. Those taking less than six hours are automatically excused. If a student increases his/her class load to six or more hours after registration day, he/she will be expected to be in attendance at services on Wednesdays from 11:15 a.m. to noon, and at assemblies on Mondays from 11:15 a.m. to noon.

Attendance is required, but a student is allowed four (4) unexcused absences each semester. The Office of Student Life will consider written excuses for:

- Emergencies and unavoidable circumstances (funerals, medical appointments, etc., after your four [4] absences have been used).
- Illness (must be verified with medical note).
- Direct work conflicts, internships, student teaching, etc.
- Students who do not have Wednesday classes or their classes start at 1:00 p.m. or later.

If you are unable to attend Convocation for the Week of Spiritual Emphasis, or Student Assembly you must submit a petition to the Vice President for Student Life by the last day to add classes. A new petition must be submitted each semester. Petitions are available at the Office of Student Life, WH 105, ext. 4525. Petitions may be submitted until the drop/add period ends.

Attendance will be taken. If a student has a question about his/her Convocation/Student Assembly/Week of Spiritual Emphasis attendance record, he/she should contact the Office of Student Life at ext. 4525.

Respectful, attentive behavior is expected at all meetings. Students are requested to refrain from activities such as studying and talking. All cell phones, iPods, and hand-held devices must be turned off. This will assist in creating an atmosphere that will enhance the total experience. It is a social convention of long standing that males remove their caps when in church. Student responses to the religious character of the University and the attendance expectations are an indication of individual maturity, and of the student’s relationship to the campus community.

*Week in Spiritual Emphasis.* Meetings are held at Sligo Church Monday through Friday from 11:15 a.m. until noon during one week in September and one week in January. **All students are required to attend these daily meetings.** During each Week in Spiritual Emphasis, class schedules are adjusted on Tuesdays, Thursdays, and Fridays.

**Convocation/Student Assembly Absences.**

WAU – Non-Compliance Convocation Sanctions

Students who do not fulfill applicable requirements will be subject to a four-step compliance policy. The steps include: 1) Letter of Censure 2) Citizenship Probation, and 3) a fine for failure to comply 4) Registration Hold/Dismissal.

1. **LETTER OF CENSURE** A student choosing not to comply with the university’s Convocation attendance policy during any given semester will be issued a “Letter of Censure”. This letter serves as a disciplinary warning and will be documented in the students’ Permanent file. Students will be notified of their “Letter of Censure” by mail (to their current address) the week following the end of the semester. A student may have his/her censure status nullified after two consecutive semesters of compliance.
2. **CITIZENSHIP PROBATION** If a student again violates the Convocation attendance policy during a future semester, he/she will be immediately placed in the “Citizenship Probation” status and a hold will be placed on their registration. Students who are on “Citizenship Probation” will have a discipline file on record in Student Life and be subject to all activity restrictions that apply. Under the Family Educational Rights and Privacy Act (FERPA), Washington Adventist University is permitted to share student discipline files with other schools to which a student is transferring (including graduate schools) and employers seeking recommendations (with student consent). Students will need to petition to have their “Citizenship Probation” status expunged with the Vice President for Student Life. A discipline file for non-compliance to the Convocation attendance policy will be expunged after two consecutive semesters of satisfactory Convocation attendance. Seniors violating this policy will be required to wait one year after graduation to request that their file be expunged.

3. **CRITICAL CITIZENSHIP PROBATION** Following a third semester of non-compliance with the Convocation attendance policy students will be placed on Critical Citizenship Probation, a hold will be placed upon their registration and a fine of $25 per absence over the four allowed for each semester. Students will need to petition to have their “Critical Citizenship Probation” status expunged with the Vice President for Student Life. A discipline file for non-compliance to the Convocation attendance policy will be expunged after two consecutive semesters of satisfactory Convocation attendance. (the expunging of the record does not include refunding of the fines assessed) Seniors violating this policy will be required to wait one year after graduation to request that their file be expunged. All fines are automatically added to the student's bill.

**CONVOCATION APPEALS PROCESS**
Students who feel their record does not correctly reflect their Convocation attendance may send an e-mail to sl@wau.edu or visit the Student Life Office and speak to the convocation coordinator. The student who is under disciplinary review, and does not believe the disciplinary action is fair, has the right to contact the Office for Student Life in writing for the disciplinary action to be reviewed by Vice President. Polite, respectful decorum is expected in the dining hall at all times. Dress should be appropriate, and shoes are required (see Dress Code).

To assist in establishing a special atmosphere for Sabbath, students and guests should dress in casual business attire or better, from sundown Friday to sundown Saturday.

Appropriate attire for the dining hall must, at all times, be modest, neat, and clean, with no rips, tears, etc. T-shirts/sweatshirts, sweatpants, tank tops, and beach footwear are examples of inappropriate attire.
DRESS CODE

Students should always dress modestly, and their attire should demonstrate appropriate respect for standards of professionalism, cleanliness, and propriety.

Cooperation in adhering to the regulations is a matter of personal integrity. Adherence to the appearance standards does not, in and of itself, constitute spirituality; the willingness to adhere to regulations does suggest a developing maturity and sense of responsibility.

Standards of professionalism and appropriateness vary across academic disciplines; however, students in all majors should become familiar with standards of dress in their intended profession. The following guidelines define our minimal expectations for campus dress. It may be appropriate at times (career days, class/group presentations) for students to dress more formally than these minimal standards. You should be sensitive to WAU expectations and requirements.

Violation of the dress code is subject to disciplinary action:

Men—Dress/sport shirts, slacks, shoes, or sandals are to be worn on campus. Slippers, bathrobes, and other articles of clothing that have been long established as “at home” attire are not to be worn on campus as outerwear. Scarves and other headgear are not to be worn anywhere on campus (including buildings) except in the residence hall. Hats and baseball-type caps may be worn on campus; however, when entering a classroom, dining hall, Sligo Church, or other campus buildings, please remove your hats.

Women—Dresses and blouses should be long enough to cover the midriff, thick enough to maintain privacy of person, and high enough to maintain personal modesty. Shoes or sandals are to be worn on campus. Dresses and skirts should be long enough to avoid exposure when sitting and loose enough to allow for comfortable walking. Avoid revelations via high splits and clinging fabrics. Revealing wear is inappropriate. Tank, tube, and halter-type tops are inappropriate, unless worn under a jacket or dress.

Men—Low-riders pants are NOT to be worn. Underclothing should NOT be visible or used as outerwear. Shoes or sandals are to be worn on campus and shirts are to be worn at all times. Hats are for outside use only.

Men/Women—Clothing peculiar to cult groups and those bearing slogans and/or insignia not in harmony with the standards and philosophy of WAU are prohibited. Exercise wear, swimwear, and other types of “specialty” clothing are to be worn only when actively participating in those specific activities.

Please note: The following policies for mental and emotional health concerns.

STUDENT MENTAL HEALTH DISTURBANCES

University official responsibilities — when a University official or employee becomes aware of a situation suggesting a mental health disturbance, contact security to request assistance. The security officer on duty will submit an incident report to Campus Safety.

ADMINISTRATIVE MANAGEMENT

A decision regarding the student’s continuation at the University will be made using procedures contained in WAU’s Student Handbook, under Mental Health Disturbances.
DISCIPLINARY PROCEDURES

Redemptive and restorative discipline is at times necessary. It seeks to awaken the moral and spiritual sensitivities of the student relative to the infractions committed. It is firm and deliberate, while simultaneously student-centered and compassionate. By deliberately emphasizing redemptive discipline, the school models God’s attitude toward wrongdoing, His forgiveness, restoration, and desire for character building.

Individuals assume certain responsibilities for upholding and maintaining the standards and expectations of the community to which they belong. Acceptance to WAU is a voluntary commitment to uphold the University’s standards. Therefore, WAU expects students to comply with God’s law, civil laws, and University regulations. Student conduct that violates these laws and regulations will result in disciplinary action.

When necessary, counsel, advice, and restrictions may be given by the residence hall deans, Student Life Committee, and/or Vice President for Student Life. A student who may be subject to serious discipline will be counseled by the appropriate personnel, usually the Vice President for Student Life or his/her designee, regarding his/her rights and possible disciplinary actions. Some disciplinary procedures are addressed by the Conduct and Guidance Committee. The Vice President for Student Life or his/her designee may take immediate disciplinary action that could include suspension or dismissal.

When policy violations are of an egregious nature, the Vice President for Student Life will meet with the student and, if necessary, will contact the chair of the Conduct and Guidance Committee to convene a meeting. The Vice President for Student Life will provide the committee with the student’s written statement, which is to include the student’s perception of the incident and his/her understanding of what occurred in the conference/meeting with the Vice President for Student Life and/or his/her designee. The Conduct and Guidance Committee will meet to discuss the situation and make a decision about the appropriate action to be taken. The student has the right to meet with the Conduct and Guidance Committee when his/her case is discussed. The student also has the right to choose a WAU faculty/staff member as an advocate. Only the WAU faculty/staff advocate selected by the student may accompany the student to the committee meeting.

The Chair of the Conduct and Guidance Committee or his/her designee will verbally notify the student of the committee’s decision. Please note: Verbal notification is officially binding. The student will also be notified by letter from either the Vice President for Student Life, the Chair of the Conduct and Guidance Committee, or the appropriate designee. The letter will become part of the student’s official record. Notice of the action will be made available to University employees or departments directly related to the student concerned.

If a student refuses to meet with the Conduct and Guidance Committee, the committee will meet, discuss the situation, and make a decision.

DISCIPLINARY PROCEDURES FOR ORGANIZATIONAL BEHAVIOR

Complaints against a student organization are filed with the chair of the Student Life Committee. The chair has the right to determine whether further action needs to be taken.

DISCIPLINARY PROCEDURES APPEALS PROCESS

A residence hall student who has received discipline from the residence hall deans may appeal the decision to the Vice President for Student Life.

A student may appeal disciplinary actions imposed by the Conduct and Guidance Committee. To appeal a decision, the student must submit a written appeal to the Vice President for Student Life within 24 hours of the committee’s decision. The following must be the basis for an appeal:

• New information is available that was not available earlier, and is relevant to the decision.
• The Conduct and Guidance Committee did not adhere to proper procedures as outlined in the Student Handbook.
• The written appeal must be given to the Vice President for Student Life or his/her designee, who may make a decision to grant or deny the appeal, and approve it to go before a special appeals committee (an ad hoc committee). If the appeal is granted, an ad hoc committee will hear the appeal.
• Students must abide by the stated disciplinary consequences of the Conduct and Guidance Committee and/or those of the Vice President for Student Life or of his/her designee, pending the final outcome of the appeals process.

• If a student is granted an appeal before a Special Appeals Committee, the decision of the committee is final. The committee may uphold the decision of the Conduct and Guidance Committee or that of the Vice President for Student Life or his/her designee, or it may reach a decision that is of lesser or greater consequence than the original decision.

• In any disciplinary situation, a student has the right to a Washington Adventist University faculty/staff advocate of his/her own choosing.

If the student feels that the stated appeals process has not been followed, the student may appeal, in writing, to the President of the University, requesting a review of the process.

DISCIPLINARY ACTIONS

The following disciplinary actions are adopted by WAU with the intent to provide flexibility to the disciplinary process. Please note: The following actions are not in sequential order of disciplinary actions that will be taken. Washington Adventist University reserves the right to amend, change, and/or determine what actions are to be imposed. They include, but are not limited to:

1. **Warning** — written notice that continuation or repetition of inappropriate conduct may be cause for more serious disciplinary action.

2. **Community Service** — duties assigned, preferably related to the infraction.

3. **Fines** — a sum of money to be paid for the infraction.

4. **Restitution** — reimbursement for damage to or misappropriation of property. Reimbursement may take the form of appropriate service to repair or otherwise compensate for damages.

5. **Restriction**
   a. For the individual — exclusion from participation in specified University activities (e.g., dining hall privileges, extracurricular activities), and maintenance of exemplary conduct for a specified period of time. No refunds of payments will be made to students placed on restriction.
   b. For the organization — exclusion from specified activities sponsored by the organization or the University, and maintenance of exemplary conduct for a specified period of time. Restriction may include loss of use of all facilities provided by the University for a specified period of time.

6. **Probation** — a trial period during which a student/organization has an opportunity to prove that he/she/it can be a responsible and effective member of the WAU community. During the probation period, the student/organization may be subject to the following actions:
   a. The student/organization may not represent WAU in any extracurricular activity such as the Student Association, intercollegiate sports, drama, or music. He/she/it may, however, be permitted to participate in informal activities of a recreational nature.
   b. The student may not run for or hold office in any organizations recognized by the Student Life Committee.
   c. The student/organization may be called upon to perform duties suitable to the particular situation, including constructive work projects and referral for alcohol or drug education at the offender’s expense.
   d. The student/organization will be subject to immediate suspension for not adhering to any University regulation while on disciplinary probation.
7. **Suspension** – shall be for a specific period of time or until a specific condition is met, after which time the student must apply to the Vice President for Student Life for reinstatement. If one is suspended more than once during an academic year, he/she will automatically be dismissed.

   a. For the individual — exclusion from classes and other privileges or activities of the University for a definite period of time. Students under suspension are not permitted on University property or allowed to participate in any University-sponsored activity. Suspension extending beyond the semester in which action is taken will be full semester(s). No refunds of payments will be made to students placed on suspension.

   b. If information reviewed during an investigation seems to indicate it appropriate, the accused may be suspended pending the outcome of an investigation and presentation to the Conduct and Guidance Committee.

   c. Deferred suspension becomes effective after a specific future date. It is used typically near the end of a semester to avoid the financial penalty that an immediate suspension would entail. If a student is involved in any further offense while on deferred suspension, immediate implementation of suspension will be made by the officiating committee or person.

   d. Students suspended for the remainder of a semester will be charged tuition and fees until the day of disciplinary action.

   e. For the organization – removal of the right to conduct group-sponsored activities or to participate in University-sponsored activities as a group for a definite period of time as indicated in the notice of suspension.

8. **Dismissal** *(Please note: This policy pertains to citizenship and not to academic dismissal — see Academic Probation and Dismissal Policy)*

   a. For the individual — termination of student status with the privilege of applying for readmission. No refunds of payments will be made. The individual is not permitted on University property or allowed to participate in any University-sponsored activity. Exceptions are for a personal appearance before the Conduct and Guidance Committee or after reacceptance. To reapply, the individual must: 1) request and complete a WAU application. Recommendations and the application fee are not required; 2) have the citizenship hold on their name removed. Present a petition for reacceptance, in writing or in person, to the Vice President for Student Life. The Vice President for Student Life or the Conduct and Guidance Committee will determine when and if the hold will be removed, and if other stipulations for the removal of the hold will be imposed. The individual will be notified in writing of these stipulations; and 3) if the hold is removed, the individual’s name is then taken to the Admissions Committee.

   b. Students dismissed for the remainder of the semester will be charged tuition and fees until the day of disciplinary action.

   c. For the organization — termination of approved organization status with the privilege of applying for reinstatement. Any conditions for reinstatement shall be stated in the notice of dismissal.

9. **Expulsion**

   a. For the individual — permanent termination of student status. Students who are expelled are not permitted on University property or allowed to participate in any University-sponsored activity.

   b. For the organization — permanent termination of group status.

10. **Removal from Residence Halls.** Temporary or permanent removal from residence halls as a resident and/or guest. Any conditions for reinstatement will be stated in the notice of exclusion from residence hall living.
HARASSMENT AND DISCRIMINATION

1. The University will not condone or tolerate any harassment, including sexual harassment, of its students, employees, customers, guests, vendors, or suppliers. Harassment of, or discrimination against, applicants and employees on the basis of race, color, sex, gender, sexual orientation, national origin, age, marital status, or disability (all as defined and protected by applicable law) or on any other basis prohibited by local, state, or federal law, is unacceptable and will not be tolerated. This policy applies to all persons—students, administrators, managers, supervisors, and employees, including student employees. Harassment will not be tolerated at any University—sponsored events, including, by way of example, conferences and University picnics. **This is a zero tolerance policy.**

2. Sexual harassment has been defined generally as including unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, whenever (1) submission to the conduct is either an explicit or implicit term or condition of employment; (2) an employee’s reaction to the conduct is used as a basis for employment decisions affecting that employee; or (3) the conduct has the purpose or effect of interfering with the employee’s work performance or creating an intimidating, hostile, or offensive working environment. No employee or applicant should be subjected to unsolicited and unwelcome sexual overtures, nor should an employee or applicant be led to believe that an employment opportunity or benefit will in any way depend upon “cooperation” of a sexual nature.

3. Sexual harassment is not limited to demands for sexual favors. It also may include such actions as: (1) sex-oriented verbal “kidding,” “teasing,” or jokes, (2) repeated offensive sexual flirtations; advances, or propositions; (3) continued or repeated verbal abuse of a sexual nature; (4) graphic or degrading comments about an individual or his/her appearance; (5) the display of sexually suggestive objects or pictures; (6) subtle pressure for sexual activity; and (7) inappropriate physical contact.

4. Sexual harassment does not refer to occasional compliments of a socially acceptable nature, or consensual personal and social relationships without a discriminatory employment effect. It refers to behavior that is not welcome and that is personally intimidating, hostile, or offensive.

5. Harassment on other grounds, including race, color, gender, national origin, age, marital status, disability, sexual orientation, or any other ground prohibited by local, state, or federal law, is also prohibited. Harassment includes jokes, verbal abuse and epithets, degrading comments, the display of offensive objects and pictures, and other conduct that the individual might reasonably find to be offensive. This policy prohibiting harassment, whether sexual or of another nature, is not limited to relationships between and among employees and prospective employees, but also extends to interaction with customers, students, guests, vendors, or suppliers. No employee shall ever subject any customer, student, guest, vendor, or supplier of the University to harassment, including sexual harassment, of any nature, including the conduct described above. Furthermore, no employee will be required to suffer harassment, including sexual harassment or discriminatory conduct, by any customer, student, guest, vendor, or supplier.
Complaint Procedures

a. Any student who feels that he/she is or has been the victim of discrimination or harassment in violation of this policy should immediately notify the residence hall dean, his/her supervisor (if employed on campus), a faculty member, a department director or other manager, or the Vice President of Student Life. The University will fully investigate all complaints, and will maintain confidentiality to the extent possible given the University’s duty to investigate the complaint. Anyone who is found to have engaged in illegal discrimination or harassment will be subject to appropriate disciplinary action depending on the circumstances, up to and including immediate termination of employment.

b. Because the University takes harassment, including sexual harassment, and discriminatory conduct seriously, it requires that its employees report all incidents of harassment, including sexual harassment and discrimination, to the appropriate vice president and/or head of Human Resources.

c. Retaliation against anyone reporting or thought to have reported harassment (including sexual harassment) or discriminatory behavior, or who is a witness or otherwise involved in a formal or informal proceeding concerning alleged harassment or discriminatory conduct, is strictly prohibited.

HEALTH SERVICES

For more information regarding health services, call ext. 4525. Dr. Lester, the University Physician’s office is located at 7401 Flower Avenue., (301)-891-3030. The physician handles health problems and makes referrals for appropriate medical care.

Physical Examination Requirements

All students enrolled for six or more credit hours are required to have a copy of a physical examination report on file in the Health Services office. A student who initially enrolls for less than six credit hours, but later increases credit hours to six or more, must also submit a physical examination report to the Health Services office. Physical examinations must have been done no earlier than one year prior to initial registration. Immunization records must be complete and included on the physical examination form (or comparable documentation). Students who do not provide a completed physical examination at registration must do so by September 15th. Students may contact a University physician by calling 301-891-3030.

Students enrolled in the nursing and respiratory care programs must submit a copy of a physical examination when enrolling for clinical courses, regardless of the number of credit hours. Students enrolled in these programs are also required to show proof of additional immunizations. The individual departments may be contacted for further information.

Health, Accident, and Sports Insurance

Like many Seventh-day Adventist colleges and universities, Washington Adventist University requires all full-time domestic and international students to carry medical insurance coverage. Students registered for six or more credit hours are required to have health insurance coverage. Insurance applications must be submitted for Health Clearance at registration each academic year:

PLEASE NOTE: Proof of personal insurance and a signed waiver must be completed and submitted to Health Services or Student Life no later than September 15th of each year for fall semester. If the 15th falls on the weekend, the waiver must be submitted by the Friday before the 15th. For students entering WAU for spring semester, the personal insurance and waiver must be completed and submitted by January 30th of each year. If the 30th falls on the weekend, the waiver must be submitted by the Friday before the 30th. EVERY student must show proof of personal insurance each year.

All students are required to purchase insurance on their valuables. The University is NOT responsible for loss of personal items. Brochures and applications may be picked up at the Office of Student/Housing station at registration. They are also available at the Student Life Office, WH 104, and in the residence halls.
YOU MUST CARRY YOUR INSURANCE CARD WITH YOU AT ALL TIMES.

Waiver forms can be obtained at registration or following registration outside of the Health Services Office, WH 13, on the wall tray, and outside of the Student Life office WH 104 on the wall tray. Students participating in the Intercollegiate Sports programs will be enrolled in a sports insurance plan through the Athletic Department. The fee for this coverage will be placed on the students’ accounts.

Physical examination forms, student insurance brochures, and insurance forms are available in the Office of Student Life, WH 104.

The state of Maryland requires all colleges and universities to mandate that all students living in residence halls be immunized against meningitis. If a student does not wish to get this immunization, a signed waiver must be on file in the Student Life office, and with the respective residence hall dean. If a student has not been immunized, he/she can schedule an appointment with a University physician.

REPORTING RAPE/SEXUAL ASSAULT

Rape/sexual assault is a criminal act and may be prosecuted as such in any court of law. Although an individual cannot be forced to report an incident, unless such incidents are reported to the proper law enforcement authorities, the assailant cannot be apprehended and may repeat the offense. Individuals who have experienced a rape or a sexual assault should take the following steps to report the incident:

1. If the incident occurred on campus, notify the Office of Safety and Security, GS 6, ext. 4019, and security will arrange for EMS transportation assistance if necessary. One may also report immediately to the Washington Adventist Hospital Emergency Room. A student may also contact a residence hall dean for assistance. After immediate needs have been addressed, notify the Vice President for Student Life and/or Vice President for Financial Affairs so that the responsibility of the University to the victim and to the assailant may be carried out.

2. Off campus — report to the nearest hospital emergency room.

3. In obtaining medical care, the time factor is critical if proof of rape is to be established. Do not shower, change clothes, or alter the scene of the incident.

4. Notify the proper law enforcement authority immediately.

SAFETY AND SECURITY

The Office of Safety and Security is located in the General Services building, GS 6, ext. 4019. Security officers can be called in case of emergency at any time at ext. 4911. Initial identification of a problem may be made by a supervisor, faculty member, colleague, concerned other, or self-referral.

Because substance abuse seriously jeopardizes the attainment of life goals, a person who is found to be involved in substance abuse or to be using illegal drugs will be subject to the following procedures:

1. Persons found supplying illegal and/or prohibited substances will be subject to immediate dismissal from WAU and notification of government authorities.

2. Persons found in possession of, using, or under the influence of an illegal substance will be referred to a drug-abuse counselor, and immediate disciplinary action will be taken.

Please note that permission to live off campus is not granted until the application has been completely processed and approved. Approval must be obtained prior to moving or signing a lease. See the current edition of the Residence Life Handbook for additional information and regulations concerning the residence halls.

The University is committed to equal education and employment opportunities for men and women, and does not discriminate on the basis of disability, sex, race, color, national origin, or any prohibited basis in its educational and admissions policies, financial affairs, employment programs, student life and services, or any University-related program.

The University does not discriminate against any employee or applicant for employment on the basis of age or because he/she is disabled veterans or veterans of the Vietnam era. In addition, the University administers student programs without discrimination on the basis of age, except in those programs where age is a bona fide academic qualification for admission in accordance with the provisions of the Age Discrimination Act of 1975.

The University reserves constitutional, statutory, and common law rights as a religious institution and employer to give preference as appropriate to Seventh-day Adventist members in admissions and employment in appropriate circumstances, including but not limited to 42 USC Sections 2000e-1, 2000e-2, sec 6-15 of Federal Executive Order 11246: 41 CRF Sections 60-1.5(5); 20 USC Sec 1681 (a)(3), 34 CRF Sections 106.12 (a) (b), 106.21, 106.31, 106.39, 106.40, 106.51, 106.57; Annotated Code of Maryland, Article 49B, Sec. 16 (a) (3) and the First Amendment to the United States Constitution. As appropriate, the University expects students and employees to uphold biblical principles of morality and deportment as interpreted by the Seventh-day Adventist Church. The University claims exemptions from the provisions of Title IX set forth in 34 CRF Sections 106.12 (a) (b), 106.21, 106.31, 106.39, 106.40, 106.51, 106.57, insofar as they conflict with Church teachings and practices of morality, deportment, and appearance.

PUBLIC DISPLAYS OF AFFECTION (PDA)
Washington Adventist University students are expected to maintain appropriate decorum in all areas of the campus and its buildings. You are personally responsible for your own behavior as well as that of your guests. Some of the issues involved are reputations, the discomfort of others, and our commitment to live responsibly as members of this Christian academic community.

As members of this community, we are all responsible for one another. Given the University’s commitment to building and maintaining a healthy Christian community, when a person’s behavior is not appropriate, it is the responsibility of the University to address such issues.

SABBATH
Seventh-day Adventists have a special regard for the Bible-based Sabbath from sundown Friday to sundown Saturday. The Bible designates the seventh day of the week as a day of rest and worship. The fourth commandment, “Remember the Sabbath day, to keep it holy,” is central to the Adventist identity. Although the commandment is stated as a divine requirement, the welcome rest provided by the seventh day makes it a very special gift to all who are willing to receive it. Special religious celebrations on the day of rest include Friday night programs, and Sabbath school and church services on Saturday mornings. There are no classes during the Sabbath hours, and offices and most buildings and facilities are closed. Students are encouraged to seek fellowship, and celebrate the Sabbath through shared worship, service, nature, excursions, concerts, etc.
As a courtesy to Sabbath-keeping students, faculty, and staff who regard the day as holy, we request discretion in your selection and volume of music played on the campus from sundown Friday until sundown Saturday. Other activities such as sporting events, parties, and coursework preparation are considered inappropriate to the spirit of the day.

Students are requested to dress and conduct themselves in a manner that shows respect and reverence for God during Sabbath hours (sundown Friday through sundown Saturday). Food deliveries are not allowed to campus during Sabbath hours. (See also Seventh-day Adventist Church.)

SCHOOL OF GRADUATE AND PROFESSIONAL STUDIES (SGPS)
The School of Graduate and Professional Studies (SGPS) offers accelerated evening courses for working adults interested in completing an associate degree in general studies, a bachelor’s degree in business administration, counseling psychology, health care administration, information systems, nursing (for RNs), organizational management, or a master’s degree in business administration, counseling psychology, professional counseling psychology (+ licensure), nursing and business leadership, public administration, and religion. SGPS limits admission to adults who are at least 21 years of age and are able to provide evidence of substantial work experience. SGPS also offers general education courses to SGPS students and other students as well. For more information, contact SGPS in WH 343, ext. 4092.

SEVENTH-DAY ADVENTIST CHURCH
WAU is owned and operated by the Seventh-day Adventist Church. The Seventh-day Adventist Church is a worldwide Protestant religion founded in the United States in the 1860s. The word “Adventist” refers to the belief that Christ’s second coming (or Second Advent) will take place soon. The term “Seventh-day” refers to the Adventist practice of keeping the seventh day — or Saturday — holy as the Biblical Sabbath. Adventists also believe in baptism by immersion, and they celebrate the Lord’s Supper (communion). Adventists believe in a lifestyle that emphasizes health, family life, and service to others. In keeping with this, Adventists espouse a lifestyle that refrains from the use of alcohol, tobacco, or harmful drugs. Many Adventists are vegetarians. For more information, contact the Office of the Vice President for Ministry or visit www.adventist.org. (See also Sabbath.)

SEXUAL BEHAVIOR
All expressions of premarital and extramarital friendships are to be chaste. All forms of sexual abuse, exploitation, and promiscuity are contrary to the standards of the University. Washington Adventist University honors an ideal of sexual purity, which transcends mere legal enforcement.

SHOCK

SNOW POLICY
In the event of inclement weather, the University may close or alter hours of operation. Official announcements of school closings will be made on the Washington Adventist University Information Line at (301)-891-4567 and www.wau.edu. Be certain your phone number is duly registered as part of the WAU emergency alert line.
SOLICITATIONS ON CAMPUS
Students who attend WAU have the right to assume that they will not be subjected to undue intrusions upon their privacy. In order to minimize such intrusions, the following policies govern contacts by off-campus individuals or organizations within the University community:

1. The University will not provide copies of the student roster to any organization without the express consent of the Student Life Committee.
2. There will be no solicitation by salespersons, fundraisers, or any persons engaged in similar activities in any of the living units under the control of the University. Students who learn of such solicitation should contact the University Office of Safety and Security immediately. Persons invited to conduct business with a student may come on campus to meet only the student who requested the appointment. Students are encouraged to meet such individuals in common meeting rooms and not in residence hall student rooms.
3. Any solicitation by any persons at WAU must have prior approval from the Student Life Committee. Students conducting fundraisers, sales projects, etc., must clearly state their purpose to the University community and be prepared to show all income, expenses, and disbursement of funds, on request, to the Student Life Committee.

Activities planned and scheduled by students must adhere to the following policy: Any campus organization (class, club, honor society, or student group) wanting to sponsor an activity, which is open to the student body or the general public, must submit a petition to the Vice President for Student Life at least two weeks in advance. Auditions are required if an activity includes student performances. Petitions are available from the Office of Student Life, WH 428, ext. 4525.

There is no charge for the use of facilities by campus organizations for University events. (See Room Reservations for Meetings.) Off-campus groups and individuals will be charged for the use of campus facilities in accordance with the current fee schedule. Please call ext. 4525 for details.

Special setup arrangements for the use of tables and chairs should be made at least 14 working days in advance. Call Facilities Services, ext. 4161.

This includes arranging tables and chairs, cleaning trash receptacles, and locking and securing the facility at the end of each use. Faculty/staff sponsors are expected to remain with the student group until completion of the event.

Arrangements for special cleaning equipment and services should be made when initially scheduling the event. The organizers of an event will be held financially responsible for cleaning and/or repairs other than routine maintenance. Clubs and organizations with unpaid cleaning or repair bills will be denied future use of facilities.

STUDENT LOUNGE (SHOCK CAFÉ)
The Student Lounge is located in Morrison Hall, lower level. The Shock Café is designed to provide a venue for relaxation and socialization. It is equipped with a large-screen television and board games, among some of the activities for students’ use. Hours of Operation: The Café will be open seven days a week, and hours will be posted.

STUDENT COMPUTER USE POLICY

Rationale
Washington Adventist University is committed to providing a wide range of computing services to support the needs of students, faculty, and staff. The policies described below are designed to ensure the security and integrity of computer resources available on campus, to ensure that users have reasonable access to the facilities, and to ensure that the action of any one user will not adversely affect any aspect of the work of another. Each department has the right to supplement these policies. The University reserves the right to control, evaluate, and monitor all student computers and electronic telecommunications, except as may be prohibited by federal or state laws.

Passwords
Users of computer resources at WAU are responsible for safeguarding assigned passwords and for using them for their intended purposes only. Each user is responsible for all activity that occurs under authorization of his/her password. Following the precautions below will help prevent unauthorized use of and liability for unauthorized use of computer resources:
1. Maintain the confidentiality of passwords (do not give your password to another individual).
2. Log off of your account when leaving (even for a short time).
3. Change your passwords regularly.
4. Only use computer accounts for which you are authorized.

Illegal Use of Software
All computer programs and files, unless they have been explicitly placed in the public domain, are private property and may not be copied or distributed without authorization. Users of computer resources are subject to applicable laws governing intellectual property and should be aware that the copying, distribution, or use of protected software without proper permission or license is prohibited. It is the policy of WAU to conform to all copyright laws relating to computer software. The use or distribution of unlicensed or pirated software is prohibited and may be subject to disciplinary action.

Changing Settings on University Computers
Altering system software or hardware configurations without authorization, or disrupting or interfering with the delivery or administration of computer resources, is prohibited.

Personal Web Pages
Creating or maintaining a personal web page that is inconsistent with the University’s “Statement of Community Ethos” is prohibited and will be subject to disciplinary action or loss of computer privileges. Direct links from personal web pages that are within “one click” and that are inconsistent with the University’s “Statement of Community Ethos” are also prohibited.

Prohibited Activities
Any of the following constitute unauthorized use of computer resources and are expressly prohibited. Failure to comply will result in the user(s) being brought before the appropriate University disciplinary committee.
1. Unauthorized access — Attempting to gain access to another user’s programs or account without that user’s express permission is prohibited.
2. Passwords — (See information under PASSWORDS.)
3. Harassment — Users of University computer resources shall not use these resources to harass or annoy others, or prevent them from legitimately using the facilities. Using electronic mail to send other users unsolicited messages of obscene, demeaning, and/or menacing content constitutes harassment.
4. Changing settings of University computers — (See information under changing SETTINGS.)
5. Games — Academic use of computing facilities always takes precedence over recreational use. Specifically, a course-related assignment has priority over game playing. Failure to end a computer game and give way to those who must do required work is also prohibited.
6. Compliance with federal, state, and local laws — An individual shall not use any part of the computer resources of the University in any activity that violates federal, state, or local laws and will be subject to immediate discipline.

7. Commercial use — The University’s computing resources are reserved for instructional purposes and the professional or scholastic activities of its students, faculty and staff. The use of these systems for personal business or commercial use, such as posting of commercial web pages and the distribution of unsolicited advertising, is prohibited. Further, use of the domain WAU.edu and/or the IP addresses 12.153.52.0 through 12.153.56.255 is the exclusive right of the University.

8. Creating or maintaining personal servers on the University network is prohibited without prior authorization by the Associate Vice President of Information Technology Systems.

9. Tampering/viruses/worms — Any deliberate attempt to tamper with, disrupt, delay, or endanger the regular operation of the University’s computing resources is prohibited. The creation or propagation of computer worms, or viruses, or the distribution of electronic mail or software intended to replicate or do damage to another user’s account, hardware, software, or data is prohibited.

10. Network monitoring — Monitoring and/or sniffing of any network traffic, passwords, email, or any other network communications is prohibited.

11. Pornographic material — Any use of University computing resources to view or transmit material with prurient content is prohibited. For purposes of this policy, “pornographic content” is defined as material unrelated to a legitimate academic purpose, and intended for the arousal of sexual thoughts or desires of the recipient and/or the sender.

**Good Computer Practices**

Students are required to maintain a current version of well-known anti-virus software on their computer to protect against viruses, spyware, and key logging software. Computer use may be revoked if a student’s computer is found to be improperly protected, until the proper protection is put in place. Washington Adventist University is not responsible for the loss of data on personal equipment.

Students are not to utilize peer-to-peer software.

Personal information stored on a student’s computer is the responsibility of the student and not Washington Adventist University. It is recommended that students secure information on their computers with appropriate passwords and other safeguards.

Wireless access provided by the University in common areas is for current students, faculty, and staff only. Do not share any configuration setting with people outside the University campus. Washington Adventist University is not responsible for information that may be monitored, sniffed, or stolen across a network connection (both plugged-in and wireless connections).

**STUDENT ASSOCIATION**

Every WAU traditional undergraduate student taking six hours or more per semester is automatically a member of the Student Association (SA). The SA is the official student government organization of WAU. The SA organizes social, religious, and academic activities, and represents students’ concerns to the University administration.

SA officers are elected annually in the spring by the student body and receive a stipend for their work each semester. Some officers are appointed. Elected SA offices include: president, executive vice president, social vice president, religious vice president, and financial vice president. A 2.50 cumulative GPA must be maintained during nominations, election, and term of office for both elected and appointed positions.

**SA Office.**

The SA sponsors and publishes a campus newspaper, the *Columbia Journal*; a yearbook, *Golden Memories*; and a student directory, the *Line-Up*. When students take six or more semester credit hours of classes for the fall and spring semesters, they receive *Golden Memories* as one of the benefits of their SA fees. The *Columbia Journal* and the *Line-Up* are available to all WAU students.
Editors of SA publications are appointed by the Publications Committee, which is composed of SA officers, representatives from the student senate, and faculty/staff sponsors of SA publications. Prospective publication editors must meet the submission requirements of the Publications Committee each spring in order to be appointed for the following academic year. The requirements include, but are not limited to, submittals of petitions, proposals, and a portfolio.

**STUDENT CLUBS AND ORGANIZATIONS**

Students may organize and join associations to promote their common interests, goals, and missions as long as they are compatible with WAU’s mission. University-recognized organizations shall have no regional or national affiliations outside the Seventh-day Adventist education system. The only exceptions are nationally recognized academic and honor societies. Student organizations must have University recognition in order to function as an official student organization of WAU. Contact Student Life (WH 428) for detailed information and regulations concerning student organizations and activities. Membership in campus clubs and organizations is open to all WAU students. Halcyon Hall Residents:
Theta Alpha Beta (TAB) is WAU’s women’s residence club and stands for “Daughters of the Eternal King.” Its members are Halcyon Hall residents and female commuter students. Officers are elected in the spring of each year to plan programs, trips, and other social events for the following school year.

Morrison Hall Residents:
Delta Sigma Tau is WAU’s men’s club. Members are Morrison Hall residents and male commuter students. Officers are elected in the spring of each year to plan programs, trips, and other social events for the following school year.
COMPUTER ROOMS

The computer rooms located in the residence halls are for residents’ use only. If the computer rooms are full, priority is given to residents who need computers for study. Residents must provide their own portable media (USB, CDs, DVDs, etc.). Never store documents on the hard drives. Please be reminded that food, televisions, and radios are not permitted in the computer rooms. Residents who leave a computer for more than 15 minutes may lose their place at the computer. The rooms are open 24 hours a day but are closed from one hour before sundown Friday to sundown Saturday.

CURFEW AND LEAVE POLICY

Residence hall living means there are hundreds of individuals sharing the same “home.” It is our responsibility to provide you with a safe environment, and it is your responsibility to honor your commitment to follow the expectations and policies outlined in this Handbook, and to exercise good judgment.

Students living in the residence halls are to abide by the following curfew times. Curfews are based on cumulative GPA.

All freshmen, regardless of number of completed credit hours and GPA:
Sunday — Friday 11:00 p.m.
Saturday – 12:00 a.m.

Students with less than 24 completed credit hours and/or : GPA of less than 2.5:
Sunday – Friday 11:00 p.m.
Saturday – 12:00 a.m.

GPA 2.5 – 3.19:
Sunday – Friday 12:00 a.m.
Saturday – 1:00 a.m.

GPA 3.20 – 3.74:
Sunday – Friday 12:30 a.m.
Saturday – 1:30 a.m.

GPA 3.75 – 4.00:
Sunday – Saturday 2:00 a.m.

All residents 21 and older:
Sunday - Saturday 2:00 a.m.

Washington Adventist University residence hall students have the privilege of a 15-minute grace period beyond curfew. Please make curfew your goal! The grace period is to allow for any delay, not a late entry.

Entry into a residence hall after 2:00 a.m. is considered an overnight absence.
(See Saturday/Weekend Leaves/Holiday Leaves, and Curfew Infractions.)

Residents must fill out a Leave Request Form online and have it approved prior to departure for late, extended, overnight, or weekend leave. Late leaves will be granted for no more than one hour past normal curfew and never later than 2:00 a.m. Please note: Late leaves are only to be used under special circumstances. They are not an extended curfew time. Forms must be electronically submitted and approved by the dean before the resident leaves. The leave request form is then sent to his/her WAU email. Changes in plans after approval should be communicated to the dean on duty before leave is taken. Please note: Leaves are not automatically granted. Do not leave campus prior to a leave approval. All leaves must comply with University standards. Leaves will not be approved after midnight. Violation of this policy will result in disciplinary action.

If you are on an approved leave and, for some reason, need to return to the residence hall prior to the end of the leave, please inform the dean on duty immediately upon your return. If you wish to leave the residence hall again, another Leave Request Form must be filled out and approved.

A leave is invalid if a resident leaves before getting approval, remains in the residence hall or does not fill out the leave slip completely (i.e., contact information: name, address, phone number, relation to resident, etc.).
CURFEW INFRACTIONS

Infraction 1:
The resident will meet with a dean concerning the infraction, and a warning is given. The resident’s 15-minute grace period will be suspended for seven days.

Infraction 2:
The resident will meet with the dean concerning the curfew infraction. The resident will receive a 9:00 p.m. curfew for the next five consecutive days, and must obtain a signature from the dean (or designee) on duty at 9:00 p.m. A form summarizing the meeting/infraction will be sent to the resident, and copies of all correspondence regarding the infraction will become a part of this student’s residence hall permanent file.

Infraction 3:
The resident will meet with the dean concerning the curfew infraction. The student will be charged $50 for entering the residence hall between his/her curfew and 2:00 a.m., and will be charged $100 for entering after 2:00 a.m. A resident can incur a maximum of five charges for curfew infractions throughout the academic year.

Infraction 4:
The resident will meet with the Vice President for Student Life, and accordingly will be subject to disciplinary action, which may include, but is not limited to, probation, community service, and referral to the Conduct and Guidance Committee.

The resident is required to meet with the dean regarding his/her curfew infraction within 24 hours of receiving a curfew infraction. Failure to do so may result in further disciplinary action, including, but not limited to, a minimum fine of $25.

OVERNIGHT INFRACTIONS

Residents who do not return to the residence hall before 2 a.m. are subject to disciplinary action. Permission is required from a residence hall dean to be away from the residence hall after 2 am or overnight. (See Curfew and Leave Policy).

PETITION FOR EXEMPTION

Curfew Exemption Petitions for standing exemptions because of class or employment conflicts are available at the front desk in the residence hall. A photocopy of the resident’s official class registration form, or a letter from his/her employer verifying work hours, must be submitted with the petition. All verification must be submitted with the petition. Residents must use a Leave Request Form each time they need to stay out past curfew, until the exemption petition is approved.

If there is a class/work schedule conflict, petitions must be resubmitted within 10 days of the beginning of each semester. If weekly schedules change, a leave request should be submitted.

SATURDAY NIGHT/WEEKEND LEAVES/HOLIDAY LEAVES

Overnight leaves are not given on Sunday through Friday nights, except to go home. Exceptions are made only by the residence hall dean on duty.

Weekend leave requests must be turned in by Thursday at 9:00 p.m. Weekend leave requests turned in after that time must be brought directly to the residence hall dean on duty for signed approval.

Saturday night/weekend leaves to other students’ homes will be approved at the discretion of the dean on duty. Overnight/weekend leave requests to homes of single members of the opposite sex will be denied. Approved chaperones (see Chaperones) are required for mixed-gender overnight groups (retreats, camping, etc.). If you have questions, consult with the residence hall dean on duty.

Students who stay away overnight from the residence hall without proper authorization are in violation of the rules. Please note: “Overnight” is defined as being out after 2:00 a.m. without permission from the residence hall dean. Whenever a resident is in doubt about proper authorization, he/she should contact the residence hall dean at the earliest possible time and make proper arrangements.

Students who violate this rule will be immediately referred to the Vice President for Student Life, and will be subject to citizenship probation and/or a meeting with the Conduct and Guidance Committee.
PARENTAL PERMISSION OPTIONS
Three options are available on Parental Permission Cards for freshmen concerning Saturday night/weekend leaves:

1. Parent grants Saturday night/weekend leaves only to resident’s home.
2. Parent grants Saturday night/weekend leaves to specified homes only, in keeping with policies outlined in this Handbook.
3. Parents grant unrestricted Saturday night/weekend leaves in keeping with the community standards and policies outlined in the Student Life Handbook.

EMERGENCIES
In case of emergencies, please call the residence hall deans at (301)-891-4174, HH; (301)-891-4043, MH; Safety and Security at (301)-891-4019 and/or in an extreme emergency, dial 911. If an evacuation is necessary, instructions for evacuation are posted behind each residence hall room door. See a residence hall dean for a list of emergency procedures.

EXEMPT STATUS
Exempt status is a privilege, and with privileges there are increased responsibilities. Exempt status means that students who are over the age of 21 and older are exempt from curfew and worship regulations. However, in keeping with best practices and common sense for safety in an urban environment, all residents are to be in the residence hall by 2:00 a.m., regardless of one’s age and previously posted curfews. Please see a residence hall dean to discuss any emergency or special situations.

Exempt students will be required to sign in and sign out when entering and exiting the residence halls after 11:00 p.m. If a student exits the residence hall after 11:00 p.m., he/she is required to provide an emergency contact number at the front desk. Exempt status does not mean that a resident is allowed to stay out overnight without notification and approval of the dean. Residents who are graduating seniors will be given exempt status upon presentation of the approved graduation contract to a residence hall dean. Students who are age 21 and older are encouraged to attend residence hall worships.

For safety and security reasons, and in the event of a family emergency (so the deans are able to locate a resident), the emergency contact number must be given at the front desk whenever an exempt student plans to be away between 11:00 p.m. and 2:00 a.m.

Exempt status is a privilege. Failure to sign in/out will result in loss of privileges. Please meet with a residence hall dean for additional information.

Even though exempt status is for those who are age 21 or older, please note: If your birthday falls within a semester, your exempt status will not become effective until the following semester. In order for one’s exempt status to be enacted, students are required to provide the deans with a copy of a valid, state-issued ID with proof of date of birth.

FIRE SAFETY
County code prohibits open flame in residence halls. This includes, but not limited to, candles and incense. The only exception to this is the fireplace in the basement of Halcyon Hall. Instructions for evacuation of the building in the event of fire or other emergencies are posted behind each residence hall room door.

Following are some general guidelines in case of fire:

• If you are the first person to notice a fire, pull the fire alarm in the hallway, and immediately exit the building using the nearest exit door.
• When the alarm sounds, evacuate the building quickly and safely according to the emergency exit plans and fire drill procedure posted in each area/room.
• Stay close to the floor if there is smoke. Check the doorknob for heat before opening. If the doorknob is hot, do not open the door.
• If needed, soak a blanket and lay it over and around yourself.
• Don’t try to fight the fire.
• Once outside, stand away from the building until told by a member of the residence hall staff that it’s safe to return.
• Identify yourself to the authorities if you pulled the alarm.
• Familiarize yourself with the location of all alarms, exits, and fire extinguishers; learn how to use them before a fire starts.

If you are trapped by fire or smoke:
• Keep doors closed.
• Put a towel or some clothing in the crack at the bottom of the door.
• Open a window, from the top so the heat will go out.
• Open a window from the bottom so fresh air will come in.
• Wave a brightly colored object from the window until emergency personnel arrive.
• Wait to be rescued. If you must exit using the window do not jump out. Go out stomach side down by placing your feet out first and holding on to the window ledge. Allow your body to hang down and then release your hands from the ledge in order to hit the ground feet first. Don’t jump unless you have to.

FIRE DRILLS
Fire drills are conducted periodically as a safety precaution. When the fire alarm sounds, residents should leave the building immediately and meet at the designated place. If you are in your room or if you are not in your room, refer to the fire evacuation plan where you are located. Residence hall deans and RAs will review the fire drill procedures in detail. Please note: Familiarize yourself with proper fire safety procedures above and on the webpage. Review the information posted behind your residence hall room door.

Failure to leave the residence hall during a fire drill will subject the resident to disciplinary action. In addition, the Montgomery County Fire Code Enforcement Official may impose a fine of up to $500 for not exiting the building during a fire drill.

FIRST AID
A first-aid kit for minor medical needs is available from your RA and at the front desk in each residence hall. Each resident assistant is certified at first aid and CPR.

FOOD DELIVERIES
If you have ordered food for delivery, please provide the restaurant with an accurate number to contact you. Announcements will not be made for students to pay for and collect their deliveries. Sabbath deliveries are prohibited on the campus of WAU. Local restaurants that frequently deliver food to the campus have been informed of this policy. (See Sabbath and Seventh-day Adventist Church.)

FURNISHINGS FOR RESIDENCE HALL ROOMS
Each room is carpeted/or tiled and furnished with two twin beds, two desks, two chairs, a sink, and two closets. Residents must provide their own linen, towels, and wastebasket. (See a full list of What To Bring to the residence hall on the residence life webpage.)

Possession of a TV, DVD player, and sound equipment is allowed so long as the volume is controlled (see Noise). Headphones must be worn after 11:00 p.m.

Use white poster putty to mount posters or pictures. Mounting with anything that will damage the walls, including tacks, nails, masking tape, and Scotch tape is prohibited. Check with your RA for additional information and instructions.

The University reserves the right to charge for room damages, unclean rooms, and unauthorized moving of furniture. This includes damage to walls, floors, telephones, and painting of walls and room furniture (see Room Deposit). Residents who want to request a change in room furniture must make arrangements with one of the residence hall deans before making any changes.

Unmarked or spoiled food may be thrown out by residence hall staff at any time. To maintain a clean, healthy environment, it is expected that residents thoroughly clean the kitchen after each use. NOISE
Residence hall students live close to each other; therefore, it is important for students to be considerate of others. A student’s right to be noisy stops when other students are forced to listen. The residence hall has a 24-hour sound curfew, and must remain quiet for study and sleep at all times. Sound emissions (voice or equipment) are considered excessively noisy if audible outside a resident’s room with the door closed. Headphones must be worn after 11:00 p.m. A radio, stereo, television, or musical instrument, etc., that can be heard in other rooms, or in the hallway, is considered too loud.

Residents are responsible for the noise volume of guests in their rooms. When a resident is inconsiderate of the noise policy, the RA will meet with the student and may refer the resident to the residence hall dean. Disciplinary action will be taken, which may include the removal of sound equipment from the room and referral to the Vice President for Student Life. Sound equipment shall not be placed in windows nor directed outside the building or into the halls.

Members of the University community are required to control the volume of auto sound equipment. Auto stereos that are audible outside of a vehicle will subject the driver/owner to University discipline and/or suspension of auto registration and parking privileges on University parking lots. Residence hall staff or the Vice President for Student Life (for commuter students) will appropriately handle violations of these standards.

In addition, there is a possibility of a citation by the city of Takoma Park.

PERSONAL DEVOTIONAL LIFE
The strength to live the Christian life is possible only through an ongoing personal relationship with God. We encourage you to take time to pray, meditate, and study on a daily basis. For additional spiritual nurture, please contact your residence hall deans, Campus Ministry, and the pastoral staff at Sligo Church, (301)-270-6777.

Among the prohibited items are: firearms or weapons of any kind, lighters, matches, candles, incense, toaster ovens, hot plates, electric skillets, knives, metal knuckles, explosive devices, razors, and any other item that a reasonable individual can consider a weapon. RECREATION ROOMS
A recreation room and television room are available in the residence halls and on campus. See the residence hall dean or RA for locations in your residence hall.

Halcyon Hall Residents:
Halcyon’s recreation room is located off the basement lobby. Residents who want to use the room for parties or other activities should make arrangements in advance with one of the deans. This room can be used for coed parties, but these parties must have more than three individuals attending.

REPAIRS

RESIDENCY
Living in a campus residence hall is a privilege that is granted by WAU. At WAU, that privilege is reserved for traditional students enrolled in six or more semester hours. If, for whatever reason, a student is asked to withdraw from WAU, the student must find another place to live within 24 hours from when withdrawal/non acceptance becomes final. If there are extenuating circumstances that preclude a student from leaving within 24 hours, a residence hall dean must be informed of the circumstances and will give appropriate counsel.

Off-Campus Residency
Single students who are less than 22 years of age and are registered for six or more hours (or four or more during summer session) are required to live with their parents or in a campus residence hall. However, approval to live off campus is readily granted if the student has a good citizenship record and falls into one or more of the following categories:
1. is living with his/her parent(s);
2. is living with his/her grandparent(s);
3. is living with his/her biological uncle and/or aunt who is age 22 or older;
4. is living with a faculty/staff member who is 22 or older;
5. is living with a brother/sister who is 22 or older.

Students who do not fall into one of the above categories will not be granted off-campus status. Exceptions are very rare and only made under truly extenuating circumstances. If a student wishes to request an exception, Off-Campus Housing Petition Forms are available at the Office for Student Life, Wilkinson Hall, Room 428. Petitions will be given consideration by the Vice President for Student Life.

Please note: Permission to live off campus is not granted until the application has been processed and approved. Approval must be obtained prior to moving or signing a lease.
Change in Residency

Please note: Students who reach the age of 22 during a semester are not allowed to transition from a campus residence to an off-campus residence until the following semester. When transitioning from a campus residence to an off-campus residence, students must notify the Office of Student Life and be officially approved to change residency status.

RESIDENCE ASSISTANTS (RAS)

RAs are student staff members who are an integral part of the resident hall team. They are available to answer questions about WAU and/or help you with personal, academic, or other problems that typically confront students. RAs assist the deans in management of the residence halls, and they are responsible for the development of a healthy environment conducive to academic and personal success. RAs provide leadership and support for students who reside on their hall. RAs take room check and conduct floor worship. Your RA lives on the hall with you, and will orient you to residence hall living (i.e., policies concerning worship, fire drills, room check, curfews, etc.). The RAs will assist in the check-in and checkout processes.

RESIDENCE HALL PROBATION
(see also Citizenship Probation)

A student may be placed on residence hall probation for infractions against residence hall policy. Residence hall probation is for a period of two to six weeks and may affect, but is not limited to, weekend leaves, overnight leaves, or status as a residence hall student. Further incidents of misconduct will result in citizenship probation and an appointment with the Vice President for Student Life. At the discretion of the Vice President for Student Life, the student will be placed on citizenship probation or referred to the Conduct and Guidance Committee.

RESIDENCE HALL SUSPENSION

A resident who is placed on residence suspension is not permitted into the residence hall until the end of his/her probation term. Failure to comply with the terms of residence hall suspension may result in further disciplinary actions. Violators will be referred to the Vice President for Student Life and or Conduct and Guidance Committee.

RESIDENCE HALL SECURITY

Locked Doors

In an effort to secure your safety, the residence halls exterior doors are under control access 24/7. To gain access to the building, please use the main entrance. The main entrances to the residence halls are unlocked daily at 6:00 a.m. Front desk workers are available at all times. The residence hall lobby opens at 8 am and closes at 11:00 pm. The back door to Morrison Hall is open during operating hours for exit purposes only. Windows and locked doors are prohibited as entries or exits, except during emergencies.

Personal Losses

Wisdom dictates that room doors be locked whenever a resident leaves the room. The University is not responsible for personal losses that may occur in your room or in public areas. Expensive equipment should be covered by your own insurance. We encourage residents to purchase insurance on their valuables. Brochures and applications may be picked up at the Office for Student Life or in each residence hall.

RIGHT OF ENTRY

WAU reserves the right for residence hall deans, University administrators, RAs, law enforcement and fire department personnel, IT technicians, security, and facilities services personnel to enter and search a room. If a search is to be made, it must be authorized by a residence hall dean, director of the Office of Safety and Security, Vice President, or President of the University. To ensure compliance with WAU standards, the appropriate personnel have the right to check through all contents in the room. The right of entry also helps to ensure compliance with fire, health and safety standards, policy infractions, and cleanliness. Please note: By accepting residence hall living, a resident acknowledges and authorizes this right of entry.
ROOM CHECK
Room check is at 11:00 p.m., Sunday through Friday, and 12:00 a.m. on Saturday. An RA must see residents personally before checking them in for the evening. It is the resident’s responsibility to inform the RA or dean on duty if he/she has not been checked in by 11:00 p.m. Please note: Each resident must be in his/her own room for the 11:00 p.m. room check. If a student is unaccounted for, that student will be considered absent from the residence hall without permission and will be subject to disciplinary action (see Curfew and Leave Policy). Parents may be notified. Exempt residents are also subject to room check.

ROOM DEPOSIT
Each resident must pay a $150 room deposit at the time a room is reserved. The request for refund of a room deposit is initiated with the completion of the Residence Checkout Form. All deposits are refunded by accounting services (WH 104). This deposit is refunded when a student permanently terminates (i.e., graduation, transfer to another school, etc.) his/her residency from WAU. However, if the residence hall dean or his/her appointee discovers room damage during checkout procedures, the room deposit will not be refunded and an additional fee may be charged, depending on the extent of the damage (see Moving/Checkout Procedures). If there is a balance owed on the student’s account, the refund is applied to the balance.

ROOM INSPECTION
Each student in a residence hall deserves to live in a clean, safe environment. Students are responsible for the care and maintenance of their assigned room. Fire regulations call for clear floor space under windows and the doors must be able to open fully. Rooms will be spot-checked for cleanliness, appropriateness, and fire safety hazards. A residence hall dean will request and require compliance, if needed. Excessive violations will result in disciplinary action and or Safety and security action.

ROOM RESERVATIONS
Please note: A reservation is not a guarantee of a room. All students must be financially cleared before moving into a residence hall.

How to reserve a room:
1. Be accepted as a student at Washington Adventist University.
2. Submit a Room Reservation form, and pay a room deposit to the residence hall dean or send it to the admissions office.
3. The residence hall dean will be happy to assist you in finding a roommate.
4. The room reservation process is now complete.

Please note: The reservation process is complete, but a student cannot move into a residence hall unless he/she has been financially cleared. (see Dean for exceptions)

ROOMMATE RIGHTS
How much you enjoy life at WAU is really dependent upon how much thoughtful consideration you display toward others. The list below should help you with your responsibility to your roommate. Each roommate has a right to the following:
• The right to read in a quiet environment; noise and unnecessary distraction interfere with this right
• The right to sleep undisturbed day or night
• The right to expect that your roommate will respect what is yours
• The right to live in a clean room
• The right to some privacy
• The right to have visitors, understanding they will respect you and your roommate’s rights, and the rights of others who live in the hall
• The right to have your concerns addressed
• The right to be free from fear of intimidation, physical, and/or emotional harm
SABBATH OBSERVANCE
Seventh-day Adventists believe the seventh day of the week is the day of rest and worship as stated in the Bible. Therefore, we celebrate the Sabbath from sundown Friday to sundown Saturday. (See Student Life Handbook, Seventh-day Adventist Church and Sabbath.)

SGPS
Students enrolled in the School of Graduate & Professional Studies are not eligible to stay in the residence halls. Exception may be made by the Residence Hall Directors for limited stays.

SIGNING IN/OUT
All residents leaving or returning to the residence halls after the doors are locked must sign in/out at the front desk. Be certain you are aware of your individual curfew before signing out.

STORAGE ROOM
Each residence hall has limited space for storage. Check with a residence hall dean for available space. All items stored must be labeled with name and a permanent address. The residence hall and University are not responsible for any loss or damage to items left in storage. The residence hall staff will dispose of items left without proper arrangements.

There is a $35 fee for summer storage. All items should be reclaimed at the end of the summer, or they will be discarded.

STUDY ROOMS
Study rooms are located in each residence hall. The rooms are available 24 hours a day upon request to the dean, except during the hours from sundown Friday to sundown Saturday. No food, televisions, or radios are permitted in the study rooms. (See a residence staff member for additional information.)

SUMMER RESIDENCE
Residence hall living is a privilege, and all students who wish to live in the residence hall during the summer must file a petition with the residence hall dean no later than three weeks before the end of the spring semester. Students are expected to be on exemplary behavior at all times. ALL summer residents will have a 2:00 a.m. curfew. All residence hall policies apply. There is a zero tolerance policy during the summer break, and violation of policies will result in immediate disciplinary action.

TELEPHONES
Even though most students have cell phones, all rooms are equipped for telephone services; however, residents need to provide their own telephones. Local phone service is included in the residence hall charge. Residents are welcome to use phone cards to make long-distance calls. If a resident needs to make an emergency long-distance call, please contact the residence hall staff.

TRASH DISPOSAL
In order to maintain sanitary conditions in the residence halls, students are expected to dispose of their trash in the dumpsters located behind the residence halls and in the appropriately designated locations in the residence halls. Dumping personal trash in inappropriate areas will subject you to immediate disciplinary action. The residence hall dean will determine where and when the community service will be rendered. Each resident is to supply his/her room with a trash receptacle.
WORSHIP PETITIONS

Petitions for worship exemption due to class or work conflicts are available at the front desk. A photocopy of the official class registration form, or a letter from the resident’s employer verifying hours, must be submitted along with the petition for consideration. Petitions must be resubmitted each semester.

WORSHIP PETITIONS (DOUBLE CONFLICT)

Double-conflict worship petitions are available when a resident experiences two (2) direct conflicts in a week due to class, team, or work appointments that are not already covered by a Worship Exemption Petition. Petition slips are available at the front desk. Incomplete petitions will not be considered. These petitions are primarily for use by athletes and musicians during game seasons or tours.

WORSHIP POLICY

Worship is an integral part of our community at Washington Adventist University. This is a special time when we can set aside studies and work to reflect on our Creator and Savior, and how He impacts our personal lives. Morning and evening worships are provided in the residence halls. Your participation with covenant groups is also part of your residence life worship experience. Please see the chaplain for ministry, ext. 4112, a residence hall dean or an RA for more information about covenant groups.

There are various worship options available to assist you in completing your worship requirement. Please see a residence hall dean for information.

There are also more intimate “floor worships” conducted by the RAs. Check with your RA for scheduling.

If a group of students is studying certain inspirational and/or religious themes, the group may share a brief proposal with the residence hall deans for possible worship credit.

Scheduled worship times are posted; if you miss the signs, see residence hall deans for the scheduled times and for your worship requirements.

Proper attire is expected at all worships during Sabbath hours (see Sabbath).

Worship policy is as follows:

<table>
<thead>
<tr>
<th>Class</th>
<th>Number of worships required each semester</th>
</tr>
</thead>
<tbody>
<tr>
<td>Freshman</td>
<td>30</td>
</tr>
<tr>
<td>Sophomore</td>
<td>24</td>
</tr>
<tr>
<td>Junior</td>
<td>21</td>
</tr>
<tr>
<td>Senior</td>
<td>15</td>
</tr>
</tbody>
</table>

If you do not fulfill your worship requirements, you can expect to meet with the residence hall dean regarding disciplinary actions. You may be subject to early curfew restrictions. If you continue to miss worships, you may be placed on residence hall probation, which may ultimately result in probation and possible suspension.

WORSHIP ROOM

A worship room is located on the lower level of each residence hall. If you want to use the room for a religious service or for practice for a religious event, you should make arrangements in advance with one of the residence hall deans. Please note: Food, radios, or televisions, etc., are not allowed in the worship rooms without permission from a residence hall dean or his/her designee.

YOUR WORKS-CITED LIST

Your works-cited list should appear at the end of your essay. It provides the information necessary for a reader to locate and retrieve any source you cite in the essay. Each source you cite in the essay must appear in your works-cited list; likewise, each entry in the works-cited list must be cited in the text.

MLA style of documentation

According to the Modern Language Association Handbook for Writers of Research Papers, 8th edition:

1. Double-space all entries.
2. Begin the first line of an entry flush with the left margin, and indent lines that follow by one-half inch.
3. List entries in alphabetical order by the author's last name. If you are listing more than one work by the same author, alphabetize the works according to title. Instead of repeating the author's name, type three hyphens followed by a period, and then give the title.
4. Italicize the titles of works published independently. Books, plays, long poems, pamphlets, periodicals, and films are all published independently.
5. If the title of a book you are citing includes the title of another book, italicize the main title but not the other title.
6. Use quotation marks to indicate titles of short works included in larger works, song titles, and titles of unpublished works.
7. Separate the author, title, and publication information with a period followed by one space.
8. Use lowercase abbreviations to identify parts of a work (for example, vol. for volume), a named translator (trans.), and a named editor (ed.). However, when these designations follow a period, the first letter should be capitalized.
9. Use the shortened forms for the publisher’s name. When the publisher’s name includes the name of a person, cite the last name alone. When the publisher’s name includes the name of more than one person, cite only the first of these names.

TIPS FOR IMPROVING YOUR MEMORY

1. Keep notes, lists, and journals to jog your memory.
2. Decide what is most important to remember by looking for main ideas.
3. Classify information into categories. Some categories may be:
   a. Time – summer, sun, swimming, hot
   b. Place – shopping center, stores, restaurants
   c. Similarities – shoes, sandals, boots
   d. Differences – mountain, lake
   e. Wholes to parts – bedroom, bed, pillow
   f. Scientific groups – Flowers, carnation, rose
4. Look for patterns. Try to make a word out of the first letters of a list of things you are trying to remember. You also could make a sentence out of the first letters of the words you need to remember.
5. Associate new things you learn with what you already know.
6. Use rhythm or make up a rhyme.
7. Visualize the information in your mind.
   a. See the picture clearly and vividly.
   b. Exaggerate and enlarge things.
   c. See it in three dimensions.
   d. Put yourself into the picture.
   e. Imagine an action taking place.
8. Link the information together to give it meaning.
9. Use the information whenever you can. Repetition is the key to memory.

TIPS FOR TAKING EXAMS

1. Concentrate. Do not talk or distract others.
2. Listen carefully to the directions. Ask questions if they are not clear.
3. Pace yourself. Keep your eye on the time, but do not worry too much about not finishing.
4. Work through all of the questions in order. If you do not think you know an answer to a problem, skip it and come back to it when you have finished the test.
5. Read all of the possible answers for each question before choosing an answer.
6. Eliminate any answers that are clearly wrong, and choose from the others. Words like always and never often signal that an answer is false.
7. If you’re required to write a short essay, quickly jot down an outline to make sure you include all the key points in your answer.
8. When you finish the test, go back through and check your answers for careless mistakes. Change answers only if you are sure they are wrong or you have a very strong feeling they are wrong.
9. Do not be afraid to guess at a question. If you have a hunch you know the answer, you probably do!
10. Use all of the time allotted to check and recheck your test.
