8-5-18	2052	Community	Parking permits and WAU ID's will be available beginning on Monday, August 6, 2018 during business hours. For returning students, please be sure to bring your financial clearance papers and the previous year's student ID. For those who have registered a vehicle in previous years, please be sure to bring the car registration, proof of insurance, and your driver's license (and, for students only, financial clearance papers). Please ensure that both the car registration and proof of insurance have not expired, as this will not be accepted. If you are registering a vehicle for the first time, please register this vehicle online by logging into your myWAU account, click on "myRegistration", and then "Vehicle Registration". Fill out the information, and click "SAVE". Then proceed to the Security Office with your car registration, proof of insurance, and your driver's license. If the car is not in your name (you have a different last name than the owner of the car), you must bring a letter from the owner stating they give you permission to drive their car. This letter must have the owner's contact information as well as their signature.

			If you have any further questions, please contact the Department of Public Safety at (301)891-4019.
