Sponsorship – Family Fun Fest

SPONSORSHIPS

The annual Family Fun Fest is an opportunity to promote programs, resources and services of Washington Adventist University (WAU) and its health partner, Adventist HealthCare (AHC) that will benefit the greater Washington D.C. community. A secondary purpose for the Fest is to raise funds for student-related projects in the community.

WAU has a thriving student population committed to community development and involvement. WAU's annual Service Day program attracts more than 500 students eager to participate in projects throughout Montgomery and Prince George's Counties. Two to three times a year, a group of students travel to places such as Tanzania, South Africa and the Caribbean to help with building projects.

The goal is to raise \$50,000 to support student community development projects overseas, student missionary programs, and local projects in the bi- county area. Your tangible gift can help give our students rewarding opportunities in helping others. We welcome your support, and we thank you in advanced for your contribution to student community development projects. All contributions are tax-deductible.

We would like to invite you to become a program sponsor for the 2019 Family Fun Fest. There are two levels of program sponsors: corporate program sponsor— your name and logo printed on banners, in the program booklet, and promoted in Fest materials.

Individual item sponsor, listed with items sponsored. All sponsors will have their names and logo printed in the program booklet. Again, we thank you for your support of the WAU/AHC Family Fun Fest as we work together to build strong sustainable, healthy, educated communities.

\*\*\*DEADLINE TO BE LISTED IN PRINTED MATERIALS – MARCH 22, 2019\*\*\*
