DAILY CRIME LOG

WAU-Department of Public Safety (DPS) maintains a daily crime log, which is written in an easily understood format and describes the nature of the crime, date the crime was reported, date and time the crime occurred, general location of the crime, and disposition of the complaint, if known. We enter new reports or update old ones within two business days after receiving the information. The log records virtually all crimes reported to DPS.

This log's format was updated on September 30, 2016 to comply with the current Clery requirements.
