**FSA Miscellaneous Charges Authorization Form for SGPS Student
2026-2027**

Student Name: _____ Student ID#: _____

Parent Borrower Name: _____

The Department of Education requires Washington Adventist University to receive written authorization to use your Direct Loan funds for charges other than tuition, room, and board.

This is a voluntary authorization and is valid from the date the school receives it from the student. The borrower may also cancel at any time (see FSA Authorization Cancellation Form) and the cancellation likewise takes effect on the date we receive it. With this authorization, your Direct Loan funds can be used to pay miscellaneous charges on your student's account. These charges can include, but are not limited to prior year balances (not to exceed \$200), parking fines, library fines, and other related charges. If you choose not to give WAU authorization to use your Direct Loan funds in this manner, it is possible that you would receive a refund and still owe a balance to WAU that would be due and payable immediately.

By signing below I authorize Washington Adventist University to use my Direct Loan to cover any miscellaneous charges on my student's account. I am able to rescind this authorization at any time by contacting the Student Financial Services office in writing, otherwise it will remain active for the duration of my student's time at WAU. This does not give WAU authorization to hold the credit balance create by my Direct Loan on my student's account.
